

CAPITAL PROJECT DETAIL**DEPARTMENT:** Parks and Recreation**TITLE:** Ida Lee Park Trail Phase II**STATUS:** Ongoing**FUND:** General

PROGRAM DESCRIPTION: Ten-foot wide asphalt trail from Rust Library to the west end of the park adjacent to Old Waterford Road. This is the second phase of a three phase overall project. The project is shown on the approved Ida Lee Park Master Plan, and consists of approximately 2,400 linear feet.

OPERATING IMPACT: Funds for pavement repair, mowing, trash and graffiti removed.

GOAL ADDRESSED:**1997 Town Plan & 2002 20-Year Parks, Recreation & Open Space Plan**

- Construct integrated alternative transportation modes, including pedestrian paths and bikeways.
- Trail delineated on the transportation policy map (Map 8.1).
- Create a park and greenway system including biking trails.

Major Issues 2000

- Pedestrian friendly and accessible transportation services.
- Connectivity through a master plan of sidewalks and bike trails.

Parks & Recreation Strategic Plan

- Implement the Ida Lee Park Master Plan
